Choose **Academic / Research** in Style Settings → Eye Safe Writer → Activity Presets.

Linearità del valore atteso
$\mathbb{E}[aX + bY] = a\mathbb{E}[X] + b\mathbb{E}[Y]$.

Dimostrazione ›
La dimostrazione segue dalla linearità dell'integrale.

Intermediate result
A simple supporting lemma.

Cosa ricordare
Controllare le ipotesi.

English proof alias
This behaves as the Italian `dimostrazione` callout.

$$\mathbb{E}[X] = \sum_{x} x\, P(X = x)$$

Concept	Description
Expectation	Weighted mean
Variance	Squared deviation
